Part II  Organizational Action

Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action

The Lord Abbett Multi-Asset Global Opportunity Fund merged into the Lord Abbett Multi-Asset Balanced Fund pursuant to a tax-free reorganization under IRC Section 368(a). After the close of business on June 21, 2019, the Lord Abbett Multi-Asset Global Opportunity Fund transferred its assets and liabilities to the Lord Abbett Multi-Asset Balanced Fund in exchange for shares in the Multi-Asset Balanced Fund. The shares received were distributed to the Multi-Asset Global Opportunity Fund's shareholders, as described below, in exchange for all outstanding shares of the Multi-Asset Global Opportunity Fund. The Multi-Asset Global Opportunity Fund was subsequently liquidated.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis

The merger qualifies as a tax-free reorganization, therefore, the aggregate basis and holding period of Multi-Asset Global Opportunity Fund’s shares carry over to the Multi-Asset Balanced Fund. Each share of the Multi-Asset Global Opportunity Fund was exchanged for the same class of shares of the Multi-Asset Balanced Fund based upon the conversion ratios listed on the attachment.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates

There is no change in the aggregate basis as a result of this organizational action. The conversion ratios as listed on the attachment are based upon the June 21, 2019 Net Asset Value (NAV) of each class of the Multi-Asset Global Opportunity Fund as compared to the same class of shares of the Multi-Asset Balanced Fund.
Part II  Organizational Action (continued)

17  List the applicable Internal Revenue Code section(s) and subsection(s) upon which the tax treatment is based ►  
354, 357, 358, 361, 362, 368, 1032, 1223

18  Can any resulting loss be recognized? ► No. Pursuant to the tax-free reorganization, the aggregate basis of the Multi-Asset Global Opportunity Fund’s shares will carryover to the Multi-Asset Balanced Fund shares received. No gain or loss will be recognized due to the organizational action.

19  Provide any other information necessary to implement the adjustment, such as the reportable tax year ► The action should be reported in the fiscal or calendar year that includes June 21, 2019.
