Adam C. Castle , CFA

Partner, Portfolio Manager

Adam Castle is responsible for contributing to the management of the firm's taxable-fixed income strategies with a focus on securitized credit. He leads the Specialty Finance team, responsible for the firmwide management of ABF asset classes across high quality and leveraged credit strategies. He also serves as a manager of several Lord Abbett credit strategies that emphasize asset backed credit. Lastly, he serves on the firm's Partnership Committee.

Mr. Castle joined Lord Abbett in 2015 and was named Partner in 2022. Prior to joining the firm, Mr. Castle served as Vice President in Asset Finance, a part of the Securitized Products Group at Credit Suisse. In this role, he advised a range of banks and specialty finance companies regarding securitization, asset finance, and balance sheet optimization related to consumer and commercial loan and lease portfolios. Prior to joining Credit Suisse, Mr. Castle was an Assistant Vice President and Research Analyst, focused on Securitized Assets at AllianceBernstein. In this role, he covered ABS, RMBS and MBS, while supporting a range of fixed income strategies. He has worked in the financial services industry since 2008.

He earned a BS in biology from Cornell University and is a holder of the Chartered Financial Analyst® (CFA) designation.
