LORD ABBETT®

Benjamin Ebel

Senior Managing Director, Portfolio Manager

Benjamin Ebel is a member of the Innovation Growth Equity team and is responsible for contributing to the management of the firm's micro cap growth, small cap growth and growth leaders strategies.

Mr. Ebel joined Lord Abbett in 2005. Prior to his current role, he served as Research Analyst on various teams, most recently on the Innovation Growth team. His previous experience includes serving as Senior Financial Analyst at Dreyfus; Senior Financial Analyst/Portfolio Manager at Invesco; Financial Analyst/Controller at Armen Partners, LP; Controller at Hospitality Restoration Builders, Inc.; and Senior Auditor at Arthur Andersen & Co. He has worked in the financial services industry since 1992.

He earned a BA in economics from Brandeis University and an MS in accounting from the University of North Carolina's Kenan-Flagler Business School.
