

Tudor M. Stoenescu, CFA, Ph.D.

Investment Risk Manager

Tudor Stoenescu is responsible for continually enhancing the firm's investment risk capabilities, including risk frameworks and analytics; performing independent investment risk oversight; constructively challenging investors' convictions and positioning to promote risk awareness; and reporting independent risk opinions to the firm's leadership.

Mr. Stoenescu joined Lord Abbett in 2014. Prior to his current role, he served as Quantitative Analyst responsible for building portfolio risk models and security valuation tools for use across all investment strategies. His previous experience includes serving as Vice President, Investment Management Division at Goldman Sachs; Senior Manager, Information Management – Strategic Analysis and Testing, and Manager, Risk Management at American Express; and Research Scientist at NASA/JPL. He has worked in the financial services industry since 2006.

He earned a BS in electrical engineering from North Dakota State University, an MS in financial engineering from Stanford University, and a Ph.D. in electrical engineering from the University of Michigan. He also is a holder of the CFA Institute Certificate in ESG Investing and a holder of the Chartered Financial Analyst® (CFA) designation.
