Alland Sy, CCSP, CISSP

Senior Managing Director, Head of Global Enterprise Technology

Alland Sy is responsible for Lord Abbett's technology infrastructure, inclusive of data centers, cloud and workplace technology. In addition, he co-manages all cybersecurity platforms alongside the firm's Chief Information Security Officer. Mr. Sy also serves on the firm's Operating Committee.

Mr. Sy joined Lord Abbett in 2022. His previous experience includes serving as Global Head of Digital Workplace at Vanguard; Managing Director of Infrastructure, Operations and Cloud at TD Ameritrade; SVP Network Services at Bank of America; and VP/Manager of Network & Cybersecurity Engineering at Goldman Sachs. He has worked in the financial services industry since 1996.

He earned a BA in computer science from Rutgers, The State University of New Jersey and New Jersey Institute of Technology. He is also a Certified Information Systems Security Professional (CISSP), Certified Cloud Security Professional (CCSP) and an Amazon Cloud Certified Solutions Architect.
