

Jeffrey O. Herzog, Ph.D.

Senior Managing Director, Chief Investment Risk Officer

Jeffrey Herzog is the Chief Investment Risk Officer at Lord Abbett. In this role, he leads investment risk management, a component of the firm's Data Driven Insights team. Mr. Herzog and the investment risk management team are responsible for continually enhancing the firm's investment risk capabilities, including risk frameworks and analytics; performing independent investment risk oversight; constructively challenging investors' convictions and positioning to promote risk awareness; and reporting independent risk opinions to the firm's leadership.

Mr. Herzog joined Lord Abbett in 2013. Prior to his current role, he served as Portfolio Manager contributing to the management for the firm's multi-asset class strategies. Prior to that, he served as International Economist. His previous experience includes serving as Senior Economist at Oxford Economics LLC and Senior Economist at Banco Bilbao Vizcaya Argentaria. He has worked in the financial services industry since 2009.

He earned a BA in history from Yale University and an MA in economics and a Ph.D. in management studies from Cambridge University.
