

LORD ABBETT®

Tal Fishman, Ph.D.

Head of Quantitative Research – Fixed Income and Investment Strategy Analysis

Tal Fishman is responsible for overseeing a team of researchers who develop quantitative models and techniques to conduct portfolio risk analysis and security valuation for Lord Abbett's fixed income portfolios.

Mr. Fishman joined Lord Abbett in 2009. Prior to his current role, he served as research analyst on the product design team. His previous experience includes serving as Associate at Parkcentral Capital Management and Teaching and Research Assistant at Princeton University. He has worked in the financial services industry since 2005.

He earned a BS in economics from the Massachusetts Institute of Technology and a Ph.D. in financial economics from Princeton University.
