

## Timothy M. Schwider, Ph.D.

*Head of Quantitative Research – Equities & Trading*

Tim Schwider is responsible for overseeing a team of researchers who develop quantitative models and techniques to conduct portfolio risk analysis and security valuation for Lord Abbett's equity portfolios.

Mr. Schwider joined Lord Abbett in 2019. Prior to his current role, he served as a Quantitative Analyst responsible for building portfolio risk models and security valuation tools for use across all investment strategies. His previous experience includes serving as Partner, Portfolio Manager at AlphaCrest Capital; Director, Portfolio Manager at Credit Suisse Asset Management; Vice President, Proprietary Trader at J.P. Morgan Securities and Quantitative Analyst at Goldman Sachs/The Hull Group. He has worked in the financial services industry since 1998.

He earned a BS in mathematics from Harvey Mudd College and a Ph.D. in mathematics from the University of Michigan.
