# Bjorn Flesaker, Ph.D.

*Director of Quantitative Research, Fixed Income*

Bjorn Flesaker is responsible for developing quantitative models and techniques to conduct portfolio risk analysis and security valuation for Lord Abbett's fixed-income portfolios.

Mr. Flesaker joined Lord Abbett in 2017. His previous experience includes serving as Managing Director, Head of Quantitative Research at Prudential Fixed Income. Previously, he worked in fixed income R&D and business management at Bloomberg L.P., and he managed derivatives oriented quant groups for several institutions, including Morgan Stanley, Bear Stearns, UBS Securities and Merrill Lynch. He is also an Adjunct Professor at New York University, where he has taught graduate level courses on derivatives and credit modeling. He has worked in the financial services industry since 1992.

He earned a Master of Management degree in finance from BI Norwegian Business School and a Ph.D. in finance from the University of California, Berkeley.
